Together We Can!

Previous Ryan Patrick Faella Scholarship winners have performed volunteer work in Appalachia, organized peer counseling programs, coached youth sports throughout the state, qualified for the Olympics trials, and obtained advanced degrees in many professions.

The words of past scholarship recipients capture the essence and appreciation of the foundation's mission.

This award means more to me than any trophy or championship I have ever won. I will try set an example so that young people can become potential future award winners.

Mark Cantagallo, 2002
Current principal, Cranford High School, NJ

Thank you very much for honoring with this scholarship. I remember my days as a Blue Star baseball player, when on opening day I would raise the flag next to the Ryan Faella Memorial. Your support will help me as I continue my education.

Christopher Schmedel, 2019

I am truly honored to have been selected as one of the recipients of this year's scholarship. Your generous gift has lightened my family's financial burden.... to focus on my post-secondary studies. I intend to spend much of my time giving back to others just as you have given your kindness and support to me.

Yuki Schwab, 2019
